- LCD alphanumeric display shows coffee names, programming parameters and diagnostics
- Easy-to-use front-loading bean hoppers allow quick access for coffee change-outs, bean replenishment, and cleaning
- Compatible with both BUNN BrewWise and non-BrewWISE brewers, as well as other makes of batch brewers of up to 1.5 gallons capacity
- Optional hopper storage racks display your selection of whole bean coffees to promote your fresh ground coffee program: an optional lock for lids (sold separately) prevents tampering in self-service applications
